

August 1, 2008

Dear Parents,

The 2008-2009 *Bonhomie*, Furman University's yearbook, will be presented to all students in the spring of 2009; the yearbook is available to students at no charge.

The *Bonhomie* staff would like to offer you the opportunity to purchase a one-of-a-kind gift for your student. A personal dedication for the person you care about, no matter their year, can be designed and submitted. We encourage and accept original messages, poems, artwork and/or photographs to be used in a special section dedicated to students. Please note that if you choose to send digital pictures, The *Bonhomie* can only accept JPG, TIFF or Photoshop EPS formats. All photographs should be e-mailed to either olivia.cotton@furman.edu or desiree.coutinho@furman.edu.*

Please complete and return the form below by **September 20, 2008**. All dedications are placed on a first come basis and space is limited and we have run out of space in years past. Along with the bottom portion of this sheet, please also attach a separate sheet of paper with the message or design you wish to be printed. We can also design the ad for your dedication given the appropriate photographs and/or messages. If you have any questions or concerns, please do not hesitate to call (864) 294-2203 or e-mail us. Thank you, and be sure not to miss this chance to be a part of the 2009 *Bonhomie*!

Sincerely,
Olivia Cotton and Desirée Coutinho
